No problem. I think the Marcia L. and Ester Allen has all the river frontage in that area.

Larry – We are going on what Lisa Richardson, BLM has found in the assessor's office records. I can ask Lisa to review the maps and then we can get back to you. Thanks again for a quick response.

Hi Paula-

I do own the Bend but it isn't real near the Animas River. I don't think any of it is between the lower county road and the river. Do you have a map that says different?

Larry – Attached is a letter requesting access to your property along the Animas River for water quality sampling and an access agreement. I know this request doesn't give you much time but we would appreciate a quick response. Please feel free to give me a call if you have any questions. Thank you.
